

Wirral Transport Users Association

Representing the interests of Wirral's transport users

Interested in the quality of Our Local Transport Facilities?

We believe in modern public transport systems for the Wirral, Merseyside and West Cheshire area. The WTUA has a watching brief over the Rail, Bus and Ferry operations in the Wirral and their transport connections to the rest of the country. It acts as a pressure group and represents the transport interests of the travelling public in the local area. It has representation on the *Merseyside Integrated Transport Forum* and is affiliated with *Railfuture*, *Passenger Focus*, *Travelwatch North West*, *Bus Users UK* and *Campaign for Better Transport*.

We keep our members up to date on public transport developments with our newsletter published once or twice a year. The annual AGM includes a briefing on the significant developments of the past year and proposed future developments. It also has a talk from a representative from the transport industry. We run coach excursions to join train trips and to places of transport interest once or twice a year.

See our website- www.wirraltua.org.uk

JOIN US TODAY! - The more members we have, the more pressure we can exert on the transport providers. Members receive notification of trips, the AGM agenda and the Newsletter. They also have priority over non-members for places on trips, (if they reply within a few days of notification). Should you join the Association, your involvement can be as much or little as you wish. If you have any skills related to committee work or public transport and want to get involved, you would be more than welcome to join our committee (which meets once a month). You can pay by cheque, PO or by bank transfer (WTUA's bank account details given below). If using a bank transfer, (i) please ask the bank to give your name, address and postcode so that these appear on the WTUA's bank statements and so the payment can be credited to you, (ii) please also return the completed form so that we know to look out for the transfer and so we have your email details and excursion notification preference.
